Hi, food lovers! Are you prepared for some Chinese food? Today, I am going to share with you my favorite Chinese food, spring rolls. I love this food because it is delicious.

To make spring rolls, we need carrots, rice paper and shrimps. We also need a table spoon, a fry pan. First, cut the carrots. Then, put the rice paper on the table. After that, cut the shrimps. Finally, put the carrots and shrimps on the rice paper.

I am making this dish for my friends and family. I really love spring rolls. Let's make it together!
